The Friends of The Museum of Witchcraft and Magic became a registered Charity in 2007 (1120014) and has grown in numbers and popularity ever since.

Our Patron is Professor Ronald Hutton of Bristol University. We exist with the sole purpose of helping the Museum to remain an important educational resource and safe repository of our heritage.

We enable our supporters to become practically involved with the Museums development and help to ensure its continued success.

Through 'Friends' we raise money for new projects and conservation equipment, co-ordinate volunteers and help students and researchers access the unique collection of artefacts and books held in the Museum and its world famous library.

Once a year you can meet old friends and new at the Annual General Meeting and Get Together that is held in Boscastle. By becoming a 'Friend' you will have the satisfaction of knowing that you are helping to support the world's premier collection of witchcraft and folk magic artefacts and documents.

You can follow us on social media and keep up to date with the 'Friends' Blog here:
